Assignment No. 1

Subject: - [IT31L] Mobile Application Development

Sr. No.	Practical	Date	Page No.	Remark	Sign of Faculty
1	Create a graphical layout for registration having fields Name, Address, Contact, Email and Submit Button.				
2	Write a Program to change text of the button on the click of button.				
3	Write a Program which changes the color of the text given by user.				
4	Write a Program to find Addition, Multiplication, Division and Subtraction of two numbers.				
5	Write a Program to find whether the given number is odd or even.				
6	Write a Program to find greater number among three given numbers.				
7	Create a Simple Calculator				
8	Write a Program to find whether the given number is prime or not.				
9	Write a Program to display simple list view.				

INDEX

Assignment No. 2

Subject: - [IT31L] Mobile Application Development

Sr. No.	Practical	Date	Page No.	Remark	Sign of Faculty
1	Create a login screen using Table Layout.				
2	Create a grid of A-Z alphabets.				
3	Create a Spinner to display the calendar months.				
4	Write a Program to create webview.				
5	Write a Program for autochanging text.				
6	Write a Program to create Alert dialog.				
7	Write a Program to create Context menu.				
8	Write a Program to create Toggle button				

Assignment: 01

Class : MCA - II
Roll No. : MC21017
Date :

Q 1 : Create a graphical layout for registration having fields Name, Address, Contact Number, E-mail id and submit button.
